# **TO ALL EMPLOYEES**

## **FIND OUT THE FACTS**

The CI Breast Cancer Foundation staff will be here in the \_\_\_\_\_  
on the \_\_\_\_\_, please take the time to talk to them  
and find out more information about this disease, there are signs and symptoms  
that you are probably not aware of and it is vital that we all know what to look  
out for, Breast Cancer effects mainly women but it can also effect men.
