

July 17 is Women's Dive Day!

Help us raise money for the Cayman Islands Breast Cancer Foundation!

Every year, with the support of our friends, we here at Divetech celebrate the day with a charity fundraiser, of which 100% of the proceeds on the day go directly to the cause.

Our efforts this year will all go towards a charity close to our hearts, the [Cayman Islands Breast Cancer Foundation](#). Our challenge is to dive 1 second for every person diagnosed with breast cancer in 2020. That's 2.3 million seconds, which means we need to dive 639 hours. That's a lot of time and we need your help!
